

# 60-Day Deadline *Federal* Resource Report (National & Locality Specific) through August 19, 2022

Resources are identified for general informational purposes, and are compiled or provided with publicly obtainable information. This is not a complete roster of all available programs. Please view this document only as a starting point for individual research. The user should always directly consult the provider of a potential resource for current program information and to verify the applicability of a particular program. Resource Reports are not final policy interpretations nor guarantees of funding and do not constitute an endorsement by FEMA for any particular program or entity.
